# McGuinty and Tory neck and neck for best premier

## SES Ontario Omnibus 2005W1

Thinking of the current provincial party leaders [rotate order] John Tory for the PCs, Dalton McGuinty for the Liberals and Howard Hampton for the NDP, who in your opinion would make the best Premier of Ontario?

SES' latest random telephone survey of 500 Ontario residents was completed between January 22 and January 26, 2005. The survey is accurate to within 4.5 percentage points, plus or minus, 19 times out of 20. The margin of accuracy will be wider for sub samples. Percentages may exceed 100 due to rounding. The research was registered with the Market Research and Intelligence Association, Canada's governing body for market research and public opinion.
